For P5 students sitting for CL, ML & HCL Paper 1 (Composition), SEAB-approved Dictionary or e-Dictionary which are endorsed by the school can be brought into the examination room. Do note that there should not be any form of annotation, e.g. tagging pages with stickers, highlighted text and written text in the dictionary. In the event that annotation is found, the students will proceed with the composition assessment without the dictionary.

As the assessment items listed above are weighted and counted towards the overall marks at the end of the year, do note that **a valid medical certificate** is needed if your child is not feeling well and is absent from school on the afore-mentioned dates. If he/she is absent and does not have a valid medical certificate, he/she will be given **“0” mark** for the particular assessment item.

Please also note that students who are late without a valid reason on the days of assessment will not be given extra time and the End Time would be the same as the rest of the students sitting for the assessment in the classrooms. If you have further queries, please feel free to contact your child’s Form Teacher.

Thank you for your continued support in your child’s learning.

Yours sincerely
Mdm Jayanthi Retnam
Vice-Principal
