Dear Parents of Primary 2 Students

### Learning Journey (LJ) to Pasir Ris Park in Term 3

As part of our out-of-door education, the school will be organising a Learning Journey to Pasir Ris Park for the P2 students on either **Wed, 23 Aug 17** or **Mon, 28 Aug 17**, depending on the class that your child is in.

Through the visit, students could observe and discover the various plants and animals found there. Students will also learn the usefulness of the mangrove forest as this mangrove forest has been carefully preserved while land reclamation was being done at the Pasir Ris Park. This experience also allows them to compare and contrast what they observe in this environment with what they commonly see in the concrete jungle environment.
