Dear Parents

Parents' Seminars on Saturdays, 11 & 18 February 17

The school is planning 2 Parents' Seminars this term to equip you with the knowledge on educational issues and tips on how best you can support your child's learning. The dates are as follow:

Parents' Seminar	Subject	Date	Time
1	English Language	Sat, 11 Feb 17	8 am to 11.30 am
	Chinese Language/ Malay Language/ Tamil Language		
2	Mathematics	Sat, 18 Feb 17	
	Science		

For more information on the Parents' Seminars, please refer to **Annex A** for details on the topics and the available vacancies. As there will be hands-on sessions for the seminars for certain subjects, limiting the number of participants will ensure that the sessions conducted are more manageable for the staff in engaging you. These workshops are conducted by our teachers and are free of charge.

To sign up for the Parents' Seminars, please register your attendance using Eventbrite, an online registration system, which will be opened from **Tue, 24 Jan 17 to Thu, 26 Jan 17**. Registration will be on a first come first serve basis. Due to constraints in physical resources, **we appreciate it if only one parent comes for the workshop and your child is not brought along**. This is to ensure that there is ample space for everyone who has indicated their attendance. You can refer to **Annex B** for the registration guide.

Should you have further queries, please feel free to call or email your child's Form Teacher.

We look forward to your support and presence in these seminars!

Yours sincerely
Mrs Lee-Koh SC
Principal
