Dear Parents of Primary 2 Students

**Learning Journey to National Orchid Garden**

We are pleased to inform you that a Learning Journey to National Orchid Garden has been arranged for the Primary 2 students on either **Mon, 22 May 17** or **Wed, 24 May 17**, depending on the class that your child is in. Through the visit, students will learn to appreciate the different types of orchids and why the flower is chosen as the national flower of Singapore, to forge in them a greater sense of national identity.
