

15 November 2017

Dear Parents

**Use of Dictionaries for Primary 5 & 6 Standard Mother Tongue Languages  
Use of Calculators for Primary 5 & 6 Standard & Foundation Mathematics**

With reference to the letter dated 2 Oct 17, the Singapore Examinations and Assessment Board has just updated the guidelines on the usage of scientific calculators as of 1 Nov 17.

The latest list of the approved scientific calculator models suitable for the Primary School Leaving Examinations (PSLE) is captured in the document which is attached for your reference. As mentioned, the school is adopting the model, **CASIO fx-96SG PLUS**, and this would be included in the 2018 Primary 5 & 6 Book List.

Do also refer to the attached document with regard to the list of approved Chinese, Malay and Tamil Language Dictionaries and e-Dictionaries which was updated as of 2 Nov 17.

Thank you for your kind attention.

Yours sincerely  
Mrs Lee-Koh SC  
Principal
