

29 November 2017

Dear Parents

We would like to inform you that the LTA appointed contractor will be constructing a High Covered Linkway (HCL) across the pedestrian crossing in front of the school Main Gate from **Mon, 4 Dec 17 to Sat, 9 Dec 17**. This upcoming work will effectively link up the school's newly constructed sheltered walkway to LTA's existing sheltered walkway along Anchorvale Link which eventually connects to Farmway LRT station under the Walk2Ride Programme.

To facilitate the construction of the HCL during the said period, please take note of the following advisory:

1. Entry of vehicles into the school via the school Main Gate **will not be allowed** during the period of construction which is from Mon, 4 Dec 17 to Sat, 9 Dec 17.
2. If you and/or child need to come to school, please enter via the **side gate** besides the Guard House. If you drive, please park at the nearest HDB carpark.
3. At all times during the construction of the HCL, please **do not stop** your vehicle in front of the school Main Gate to drop off or pick up your child.

For safety reasons, we urge all parents to comply with the above safety instructions and any other advisory put up by the school and the LTA appointed contractor during the construction period.

We seek your understanding and apologise for any inconvenience caused during this period of construction work.

Thank you for your kind attention.

Yours sincerely
Mr Patrick Chan
Vice-Principal (Administration)
Springdale Primary School
