Dear Parents of Primary 6 Students

### Primary 6 Holistic Assessment for Standard Subjects in Term 1

Assessment is an integral part of the interactive process of teaching and learning. The main purpose of holistic assessment is to provide meaningful feedback on how students are doing in achieving specific learning outcome. It monitors students' progress and identifies their strengths and weaknesses so that students can take ownership of their learning. At the same time, more effective, focused and differentiated instructional packages can also be planned.

In order to allow you to have a better idea of the guiding framework, content, resources and programmes of the subjects offered in primary school, we have prepared the Information Booklet for Parents for the respective levels. We have also included in the booklet some information on the Holistic Assessment (HA) practices in the school. More details on the weighted assessment items are given at the beginning of each term in separate letters to parents, such as this one. The Information Booklets are also made available on our school website.

In **Term 1**, the forms of assessment for each subject for Primary 6 are as follow:

As the assessment items listed above are weighted and counted towards the overall marks at the end of the year, do note that **a valid medical certificate** is needed if your child is not feeling well and is absent from school on the afore-mentioned dates. If he/she is absent and does not have a valid medical certificate, he/she will be given **"0" mark** for the particular assessment item.

Please also note that students who are late without a valid reason on the days of assessment will not be given extra time and the End Time would be the same as the rest of the students sitting for the assessment in the classrooms. If you have further queries, please feel free to contact your child's Form Teacher.

Thank you for your continued support in your child's learning.

Yours sincerely  
 Mr Kelvin Ho  
 Vice-Principal
