

11 September 2018

Dear Parents

Food Drive Project

The school is collaborating with Food From The Heart (FFTH) to mount a Food Drive Project in the month of September. The aim of this project is to create in our students an awareness of the needs of the community they live in and allow them to put into action the values of care and responsibility that they have learnt in school as they play their part to contribute to the less fortunate residents who live amongst them.

As such, we would like to encourage all students to participate in this project and donate at least 1 item to the needy in our community. Below are some of the suggested items:

All items can be brought to school from **Mon, 17 Sep 18 to Fri, 28 Sep 18**. The expiry date of all donated items must be **later than June 2019**.

Students have been asked to put aside a portion of their daily allowance to buy these items to show care for the community. Your support can come in the form of constantly reminding your child to do his/her part. Please spend a few minutes to share on how a small gesture like this can make a difference to the lives of the less fortunate. This is one of the many ways to reinforce the values of care and responsibility that they have learnt in school. We hope that the coming Children's Day celebration would be made more meaningful as our students learnt to count their blessings and show care for the less fortunate amongst them.

Thank you in advance for your generous support in this endeavour.

Yours sincerely
Mr Kelvin Ho
Vice-Principal (Academic)
