 - Formal interaction

Student Well-being **at Home**

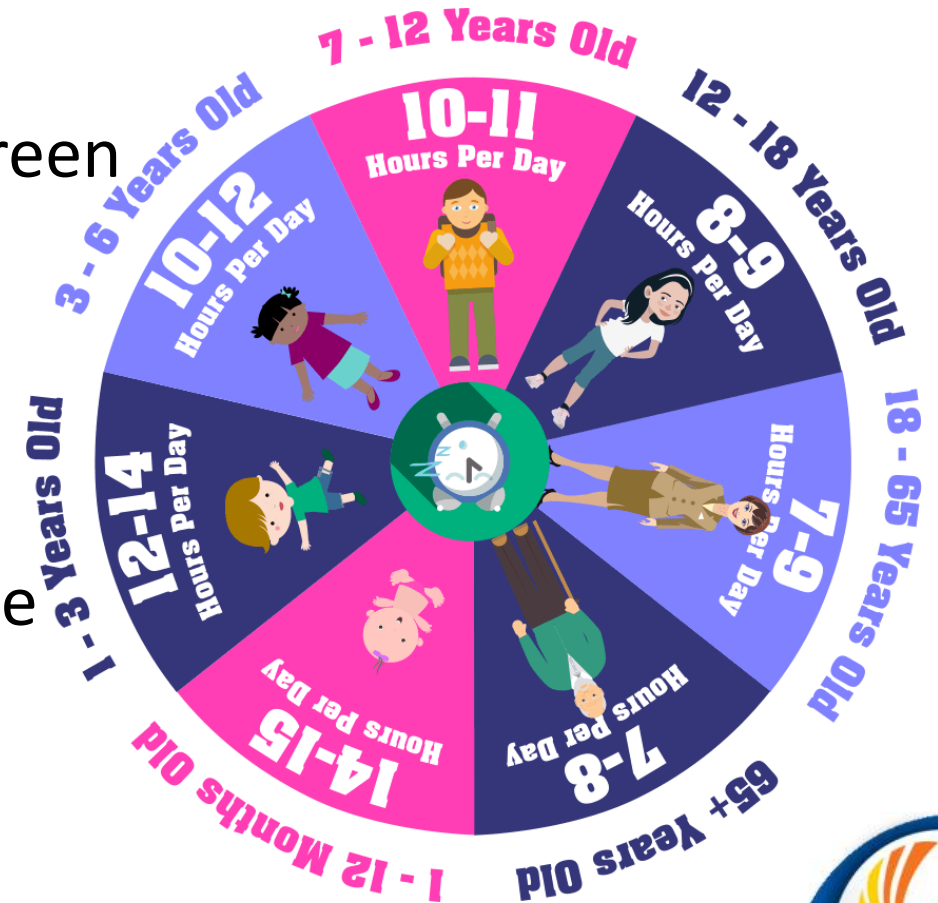

- Relationship with family members
 - Good relationship with parents & siblings helps to settle child in school
 - Parents can spend quality time by being:
 - a good listener
 - a role model of being a reasonable negotiator

Student Well-being **at Home**

- Time to rest, relax & play
 - Manage the amount of time spent on revision, on-screen play time & off-screen play time
 - Child to set timetable with parents' guidance
 - Negotiate on the amount of time spent to do different activities at home
 - Ensure sufficient sleep time

Guide on the amount of sleep required each day

Student Well-being **at Home**

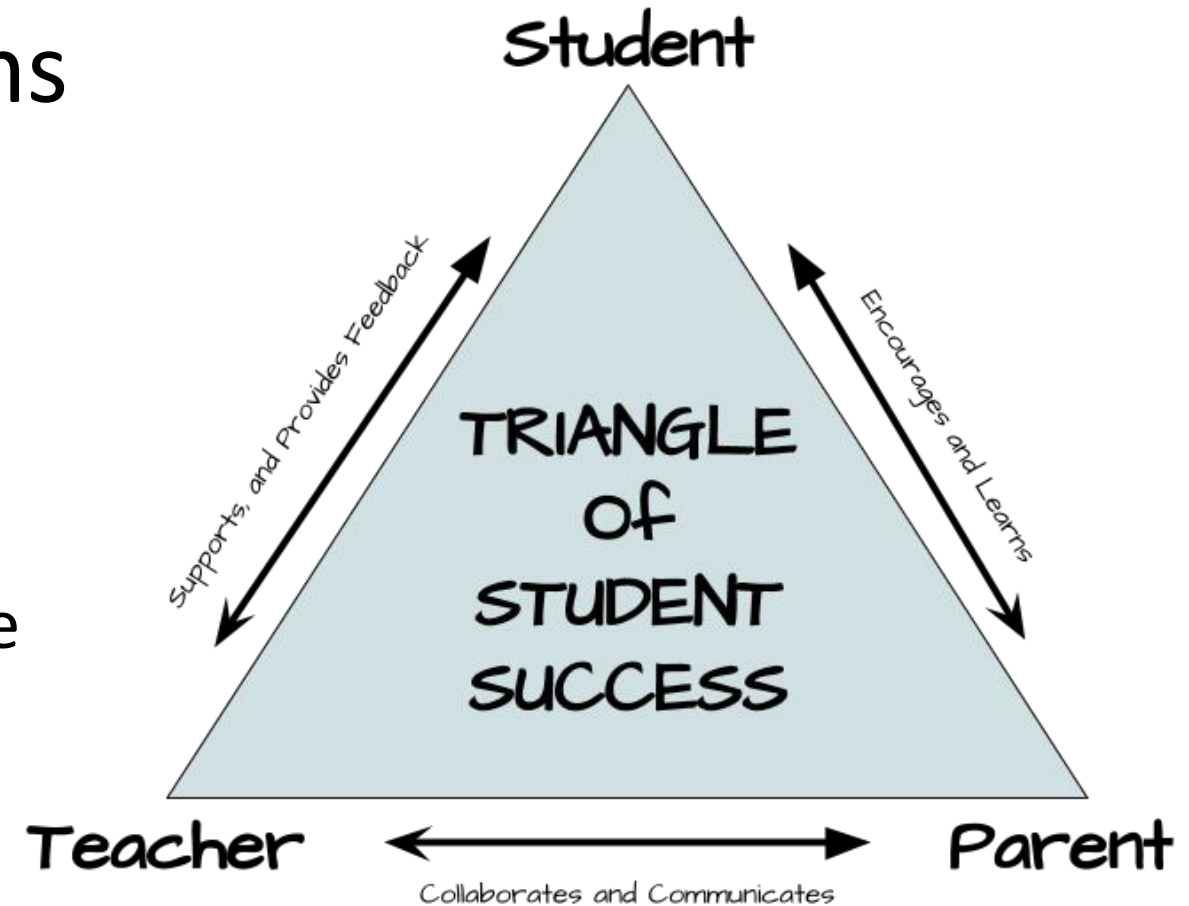

- Conducive learning environment
 - Free from distraction (child dependent)
 - Example: toys, siblings playing, etc
 - A clock / timer to manage time
 - Revision / Homework time
 - Full guidance at first, if necessary
 - Reduce parents' involvement over time gradually until child can gain independence
 - Praise child at the end of session (specify the things they have done well in)
