Students who are unwell are to seek medical attention promptly and are not to come to school on the assessment date(s). As the assessment items listed above are weighted and counted towards the overall marks, do note that a **valid Medical Certificate (MC)** from qualified medical practitioners registered with the Singapore Medical Council is needed if your child is absent from school on the afore-mentioned dates. Students on MC are to rest at home and fully recover before returning to school.

Students who are required to remain at home due to COVID-19 such as being on Leave of Absence, Quarantine Order or Approved Absence are not to come to school for the assessment. Students who are absent due to these reasons will have "VR" (Valid Reason) reflected in the result slip and their overall marks for the subject(s) will not be adversely affected.

If your child **does not have** official documents to support his/her absence due to these reasons, he/she will **not be awarded any marks** for the particular assessment item.

Please also note that students who are late without a valid reason on the days of assessment will not be given extra time. The student will submit the assessment at the same time as the rest of the students sitting for the assessment in the classrooms.

If you have further queries, please feel free to contact your child's Form Teacher.

Thank you for your continued support in your child's learning.

Yours sincerely

Mr Shoeb Burhanuddin
Vice-Principal (Academic)
