Dear Parents of Primary 5 Students

### Primary 5 Assessment Plan

In our letter on 18 January 2022, we informed parents on the purpose of assessment and the weightage of the assessment at the end of the various school term. Parents were also informed that the subject specific details for the weighted assessment would be given at the beginning of each term. The table below, which was shared in the 18 January letter, shows the weighting of the assessments in the different terms.

As the assessment items listed above are weighted and counted towards the overall marks at the end of the year, do note that a **valid Medical Certificate (MC)** from qualified medical practitioners registered with the Singapore Medical Council is needed if your child is absent from school on the afore-mentioned dates. Students on MC are to rest at home and fully recover before returning to school.

If your child is absent and does not have a valid medical certificate, he/she will be awarded **“0” mark** for the particular assessment item.

Please also note that students who are late without a valid reason on the day of assessment will not be given extra time. The student will submit the assessment at the same time as the rest of the students sitting for the assessment in the classrooms.

If you have further queries, please feel free to contact your child’s Form Teacher.

Thank you for your continued support in your child’s learning.

Yours sincerely

Mr Shoeb Burhanuddin  
 Vice-Principal (Academic)
