3. Health and well-being

For your child's health and well-being, we would like to remind parents of the following:

- Ensure your child is well before sending him/her to school. If your child is unwell, he/she should see a doctor promptly and also stay at home until he/she has fully recovered.
- Remind your child to always bring a thermometer to school every day. The thermometer should be in a working condition.
- Reiterate to your child the importance of practicing good personal hygiene at all times. Your child should wash his/her hands regularly with soap and water, especially before taking any meal.

We wish your child/ward an enriching and a rewarding learning experience at Springdale Primary.

Yours sincerely
Mdm Neo Lay Wah
