### Trace Together (TT) Tokens

Please remind your child to bring the TT token to school every day. Your child should have the token, which is in working condition, with him or her throughout the school day to facilitate accurate contact tracing, should the need arise.

### **Reminders on Road Safety**

The school has received feedback of motorists exhibiting unsafe driving behaviour when they are in the school compound. To ensure the safety of our students, we would like to urge and remind parents on the following if you are driving into the school to pick up or drop off your child:

- Reduce your speed as your vehicle approaches the school main gate
- Keep a look out for & give way to our students and other pedestrians who may be crossing the road at the school main gate
- Observe the speed limit of 15km/h when your vehicle is inside the school compound.
- Alight or pick up your child only at designated points or locations
- Follow all other instructions and requests given by our security officers or school personnel on duty

As safety of our children is of utmost importance, we seek parents' understanding and cooperation to adhere to the above.

Yours sincerely  
Mdm Neo Lay Wah  
Principal
