Dear Parent/Guardian,

Onboarding Zoom with Student iCON

As part of MOE IT Division (ITD) continuous enhancement to support teaching and learning, together with the rollout of Student iCON email to schools, Zoom accounts that are integrated with iCON login IDs will also be provisioned to students. Students will use their Student iCON login details to onboard to Zoom. Zoom accounts for students will help teachers facilitate student identity verification and will also allow students to host Zoom meetings up to 40 minutes.

Please follow the attached step-by-step guide to help your child onboard Zoom with his/her student iCON account. **Students should perform the Zoom onboarding using the Chrome browser in a laptop or any computing device.** After onboarding, students can use the Zoom app installed in laptop or any computing device such as Chromebook, android tablets or iPad etc.

Please contact your child/ward's form teacher if you have any concerns on the above. Alternatively, you may also contact the school's ICT Associate Mdm Bindu at thaminieni_bindu_kalyani@moe.edu.sg.

Thank you.

Yours sincerely

Mdm Lee Shirui
